6. Social Wall

- During the meet U|S 2024 week, we collect contributions from our social channels and dynamically bundle them in a social wall
- We present the Social Wall in the entrance tent on 3 large flat screens directly after the main entrance on the left side
- The Social Wall can also be reached via the following link:
<https://my.walls.io/meet-US-2024>
- You can also create “direct posts” that land directly on the Social Wall as a “selfie”; To do this, scan the QR code on the right or click on the following link:

<https://my.walls.io/meet-US-2024?create-post=true>

7. Shuttle-Service

All documents, as well as details about the shuttle service,
are available on the joint website of
URBAN and Schirmer.
